Dear Ms. Caple,

This is to advise you that the smallest triangular shaped area of land on the bottom east side should be deleted from Greers Ferry City plat map. I had originally asked that it be included.

If you have any questions, please contact me. We hope to hear from you soon regarding the Commission's disposition of this matter.

Re: Legal Description and Plat Map of  
Greers Ferry, Arkansas

Dear Ms. Caple,

I talked with you several weeks ago regarding the above matter. If you have not yet gotten the approval of the Public Service Commission, please hold off until you hear from me, which will be no later than the early part of the week beginning November 11, 1974. We have received word that the man who owns the one acre triangularly shaped area of land which was accidentally left off the legal description may not want his property within the city. I am awaiting word from him.

Sincerely,

Re: City of Greers Ferry  
Errors in Plat Description

Dear Sir:

I represent the City of Greers Ferry with regard to the above matter.

The errors in the legal description and plat map of the city were discovered only recently when the city map put out by the Arkansas Highway Department was received by the City Council.

There are four errors in all. The first error is in the map itself--an area described by the legal description was inadvertently left off the map. The other three errors are in the legal description--three areas drawn into the map and intended to be a part of the city were inadvertently left out of the legal description.

The City Council of Greers Ferry respectfully requests that you accept the corrected legal description and the corrected drawing of the plat map.

attached is a copy of the correct and incorrect legal descriptions, and a plat map showing the error in the map.

Thank you for your help.

Sincerely,

*Evelyn Drake*

Also, all that part of Section 3, Township 10 North, Range 11 West, lying above said Fee Taking Line; all being in Cleburne County, Arkansas, and containing 3,874.10 acres, more or less. A plat of which is attached hereto and made a part hereof as if set out herein.

And it appearing to the court that notice of this hearing has been given for three consecutive weeks by The Cleburne County Times, as provided by law; that a copy of said Notice and Proof of Publication is incorporated herein as proof that there was notice; that there are no remonstrants; that more than 20 qualified voters residing in the territory to be included in the corporate limits have signed said petition; that the limits of the proposed incorporation and the territory therein are accurately described in said petition and a plat thereof has been filed with said petition; that the proposed name of said town is sufficient to distinguish it from others of like kind in the state; that said town should be incorporated as prayed; now therefore,

It is by the court considered and ordered that the Town of Greers Ferry, Arkansas, be and is hereby organized and incorporated,

by and under that name, and to include the territory hereinabove described. And petitioner shall pay the cost of this proceeding.
